

Horizon Health Network – Career Opportunity

New Brunswick's Perinatal Health Program (NBPHP) is actively recruiting a **Medical Director**. The NBPHP is a provincial program working directly with all health care providers in the province to promote excellence in the provision of perinatal care.

The NBPHP is a formal partnership of Horizon Health Network, Vitalité Health Network, and the Province of New Brunswick's Department of Health.

The NB Perinatal Health Advisory Committee is responsible for leading and overseeing the development, implementation and monitoring of the NBPHP. The committee's participants include members from Horizon Health Network, Vitalité Health Network, Department of Health including the Office of the Chief Medical Officer, and Medavie Health Services.

Medical Director, Perinatal NB – Job Overview:

The Medical Director, Perinatal NB acts an enabler of the strategic direction set out by the NB Perinatal Health Advisory Committee. The following are key responsibilities of the Medical Director, Perinatal NB:

- Informs and provides support to all medical staff in the province to ensure alignment with the Perinatal NB strategy and assure that decisions are always made with the interests of the entire provincial program as a focus.
- Works co-operatively with the Medical Staff and administration to ensure that the highest quality of perinatal services is available to the people of the province within the goals and objectives of the program.
- Works in partnership with the Administrative Director, NB Perinatal to lead and support all aspects of program delivery.

This is a 0.18 FTE position with the expectation to work one full day per week.

Medical Director, Perinatal NB – Reporting Structure

This position supports a provincial program; however, the employer is Horizon Health Network. This provides a matrix reporting structure where the Medical Director, Perinatal NB reports to the NB Perinatal Health Advisory

Horizon Health Network – Career Opportunity

Committee and to Horizon's Vice President Medical, Academic and Research Affairs.

Medical Director, Perinatal NB – Qualifications
